Hello Donor,

Parmer Paws is a 501(c)(3) non-profit organization whose primary mission is the prevention of cruelty to animals, the relief of suffering among animals, and the extension of humane education and outreach.

Our efforts began in May of 2018, and with only months under our belt, we've been able to achieve so much. We have rallied the cities in our county to support our cause by changing local regulations, conducted a low-cost vaccination event, and have successfully turned our community into a no-kill zone. Yet, with all this success, there is still much more to do.

Our organization is facing a housing epidemic. We need a centralized location to help us temporarily shelter our animals while we work on fostering and adoption options. With your help, we can create a facility that helps meet this need while improving the quality of life to animals in Parmer County.

You can help us fund the creation of facility with your generous support. If you're able, we'd love it if you could make a donation of [amount] to help us achieve our mission and create a haven for our furry friends.

Here are the ways you can make a monetary donate:

- Email one or all of the board members listed on this memo
- Call us at (806) 346-9478 or (806) 418-3441
- Send a check to the address above (no cash, please!)

Thank you in advance for your contribution. Your donation will go a long way in assuring we always have a refuge for animals in Parmer County.

Sincerely,

Parmer Paws
